

RESTAURANTS

It's easy to draw the Monday night crowd when you have an app working for you. Check-in specials, loyalty rewards, and real-time menu updates grow your customer base and keep them coming back for seconds. Dessert menu, please.

-
- Accept orders and payment in-app
 - Highlight weekly specials
 - Reward your regulars with check-in discounts
 - Send targeted push notifications to nearby users
 - Post about your favorite dish on the fan wall
 - Give directions & quick contact for users on the go
 - Enable in-app reservation-booking
 - And More...

Why Your Restaurant Needs a Mobile App

- Loyalty Programs
- Push Notifications
- GPS Coupons
- Mobile Menu
- In-app Ordering
- Reservations
- Social Media Promotion
